## MARVIN DIETMANN

# HEY

Marvin Dietmann is a creative artistic director - who has produced many TV entertainment shows, films, music videos, theatre productions and concert tours all over Europe. Marvin was born in Vienna, Austria and began dancing at the age of 6. At 13 he started a professional ballet education and appeared in many classical ballets. At the age of 16, he changed his educational direction and studied musical theatre, where he got trained in singing and acting for more than three years. As a young musical actor, he worked for some of the leading theatres and TV channels in Austria & Germany. At the age of 22, he changed his focus, studied photography and started his production company as a creative and artistic director. At the moment he has done over 255 TV Shows in over 28 countries for more than 1 billion viewers.
